

Open Up Said The World At The Door

Electric Light Orchestra

Can you believe no one has called anymore since the ball that was
thrown in the spring
Brother, beware,
Nobody dare anymore since the days back when balls were the thing

Open up said the world at the door

Swimming around out in the hall
In the ground til she finds what she lost years ago
In a nightdress, dirty old vest, she never rests,
But the old folks at home never know

Open up said the world at the door

What are (?) the heart, guess it's a part of the tale and the feeling
that's being with each (?)
Brother, beware,
Nobody dare anymore since the days back when balls were the thing

Open up said the world at the door
