

# Point Of No Return

Electric Light Orchestra

It's out of control  
Out of control  
And there's nothing I can do now  
Out of control  
Out of control

Spinning softly through the blue now  
And look beyond these walls  
As the meaning starts to dawn  
It's getting to the point  
Getting to the point

It's out of control  
Nothing I can do  
Like a fire that keeps on burning  
And nobody knows  
What I'm going through  
And the thoughts just keep returning

And all you had to say  
Was that you were gonna stay  
It's getting to the point  
Getting to the point  
It's getting to the point

It's getting to the point  
Where nobody can stop it now  
It's getting to the point  
Of no return  
And all that I can do  
Is stand and watch it now  
Watch it burn, burn, burn  
It's getting to the point  
Where reasons are forgotten  
It's getting to the point  
Where no one knows  
And all that I can do  
Is say I'm sorry  
But that's the way it goes  
Getting to the point

Forever is a long way  
Forever takes your breath away  
I'd like to talk about it  
Try to understand  
It's getting to the point  
Getting to the point  
Getting to the point

It's getting to the point  
Where nobody can stop it now  
It's getting to the point  
Of no return  
And all that I can do  
Is stand and watch it now  
Watch it burn, burn, burn

It's getting to the point  
Where reasons are forgotten  
It's getting to the point  
Where no one knows  
And all that I can do  
Is say I'm sorry  
That's the way it goes

It's getting to the point  
Getting to the point  
Getting to the point  
Getting to the point  
It's getting to the point  
Getting to the point  
Getting to the point
