

## Xanadu (New Version)

Electric Light Orchestra

A place where nobody dared to go  
The love that we came to know  
They call it Xanadu

And now, open your eyes and see  
What we have made is real  
We are in Xanadu

A million lights are dancin' and there you are  
A shooting star  
An everlasting world and you're here with me  
So let it be

Xanadu, Xanadu in Xanadu  
(Now we are here)  
Xanadu, Xanadu in Xanadu  
(Now we are here)  
Xanadu, your neon lights will shine in Xanadu

The love, the echoes of long ago  
You needed the world to know  
They are in Xanadu

The dream that came through a million years  
That lived on through all the tears  
It came to Xanadu

A million lights are dancin' and there you are  
A shooting star  
An everlasting world and you're here with me  
So let it be

Xanadu, Xanadu in Xanadu  
(Now we are here)  
Xanadu, Xanadu in Xanadu  
In Xanadu, in Xanadu, Xanadu
