

# Dance Epidemic

Electric Six

Dance epidemic tonight

Your body goes to waste  
The minute you don't give it to me  
I'm dying for your sins on the dance floor  
Can't you see

You know it's still on my mind  
Still on my mind  
Still on my mind  
It's still on my mind  
Still on my mind  
Still on my mind  
I want it so bad but I'm never gonna it  
The girl's on fire  
It's a dance epidemic  
Baby  
Looks like a dance epidemic  
I'm seeing things I thought I'd never see  
Dance epidemic tonight  
Start again tonight

You've got your nice apartment  
West LA  
Wilshire and Bundy  
Is that where you get your kicks now, honey?  
Is that where you spend your money?

You know it's still on my mind  
Still on my mind  
Still on my mind  
It's still on my mind  
Still on my mind  
Still on my mind  
I want it so bad and I'm never gonna get it  
This girl's on fire, it's a dance epidemic  
Baby  
Looks like a dance epidemic to me  
I'm seeing things I thought I'd never see  
Dance epidemic tonight  
Start again tonight

It's getting harder to breathe  
Your sexy lies cutting into me  
I want it so bad but I'm never gonna get it  
This girl's on fire, it's a dance epidemic

Baby  
Looks like a dance epidemic to me  
I'm seeing things I thought I'd never, never see  
Dance epidemic tonight  
Start again tonight
