

## Dirty Looks

Electric Six

If we make love  
Would it be a mistake?  
But the aftermath  
Be hard to take  
For the knots we tied  
Come undone

Have you heard?  
Have you heard?  
(Have you heard?)

Have you heard?  
Have you heard?  
(Have you heard?)

There's a man dressed up like an ancient bird  
And he's setting his guitar  
On fire

Every mutiny  
Begins with the cooks  
Every queen cheats on the king with the rooks  
Every nuclear war begins with two  
Dirty looks

I know my shit from shinola  
I'm tired of eating your stale grenola  
And I... know a bloodbath when I see one

Have you seen?  
Have you seen?  
(Have you seen?)

Have you seen?  
Have you seen?  
(Have you seen?)

There's a man dressed up like a flaming queen  
And he's helping San Francisco  
Fall in love

Every problem can be solved by burning books  
Every saviour is crucified next to crooks  
Every human being starts with two  
Naughty looks
