

# Down at McDonnellzzz

Electric Six

Closing is the gift to the night shift  
And now you've got two minutes to go!

Swept up the floors, locked all the doors, lights out!  
And now it's time to go

You hear the bounce and the bounce in the parking lot  
And the night just got to a point where it's gonna blow

You were doing your best  
'Till you got punched in the chest  
And the leader said: "There's something you oughta know"

He said: "My people need a place to Go!" (Go!)  
My people need a place to Go! (Go!)  
People need a place to go  
People need a place to go

Now everybody down at McDonnellzzz  
They down with Ronnell McDonnell  
And now they hitting the bottle  
And everybody cool!

Now everybody down at McDonnellzzz  
They down with Ronnell McDonnell  
And now they hitting the bottle  
And everybody cool!

You notice methods getting crude  
Language is rude  
And you just wanna go!

All you wanna do is make it stop  
So you call the cops, but the cops they never show

The leader sees your fear  
So pulls you near  
Says "Son - there's something you ought to know"

He said "Time ceases it's marches at the golden archeszzz  
And that's what we're here for."

He said: "My people need a place to Go!" (Go!)  
My people need a place to Go! (Go!)  
People need a place to go  
People need a place to go

Now everybody down at McDonnellzzz  
They down with Ronnell McDonnell  
And now they hitting the bottle  
And everybody cool!

Now everybody down at McDonnellzzz  
They down with Ronnell McDonnell  
And now they hitting the bottle  
And everybody cool!

Cool!

The leader's gonna make you party  
Preventing you from departing  
The leader is the party  
The party is the leader's mind

He said: "My people need a place to Go!" (Go!)  
My people need a place to Go! (Go!)  
People need a place to go  
People need a place to go

Now everybody down at McDonnellzzz  
They down with Ronnell McDonnell  
And now they hitting the bottle  
And everybody cool!

Now everybody down at McDonnellzzz  
They down with Ronnell McDonnell  
And now they hitting the bottle  
And everybody cool!

He said: "My people need a place to Go!" (Go!)  
My people need a place to Go! (Go!)  
People need a place to go  
People need a place to go

Now everybody down at McDonnellzzz  
They down with Ronnell McDonnell  
And now they hitting the bottle  
And everybody cool!

Now everybody down at McDonnellzzz  
They down with Ronnell McDonnell  
And now they hitting the bottle  
And everybody cool!

It's the leader's mind  
It's the leader's mind  
Yeah!

(Go!)  
Oh!  
(Go!)  
(Go!)  
(Go!)

(Go!)  
(Go!)

Oh!  
Oh!
