

Take Off Your Clothes

Electric Six

What a love this is
You got love on a lovethesis
Did I say you could look at me
Quit looking at me

You know the drill
You know how it goes
I wanna see you strip now
So take off your clothes (4x)

I bought love just a minute
I bought a hand
Sometimes it's hard to be a man

You know the drill
You know how it goes
I wanna see you strip now
So take off your clothes (4x)

1... 2... 3... 4

Take off your clothes.
