

## 13 Reasons

Electric Valentine

You hold it over me  
And the day is wasted now  
I'll be there soon enough  
And it's time you faced it now  
You're so focused on the words  
That you missed the context  
It's difficult enough  
To admit what comes next

Let me go before you break my heart again  
Let me go.  
Let me go before you break my heart again (9x)  
Again (8x)

I can make it on my own  
And I would love to hate you  
I burn them all to show  
That I'll always blame you  
And taste the poison on your lips  
Like the lies between them  
They're just innocent mistakes  
Until you repeat them

Let me go before you break my heart again  
Let me go.  
Let me go before you break my heart again (9x)  
Again (8x)

Let me go  
I'll never know better  
Just let me go  
I'll never know better  
Just let me go  
I'll never know better  
Just let me go  
I'll never know better  
Just let me go  
(Let me go before you break my heart again)  
I'll never know better

Let me go before you break my heart again (9x)  
Again (8x)
