

## Funeral of Your Mind

Electric Wizard

Your burnt and twisted mind is to blame  
The lies a coffin for your brain  
Your future now rots away  
Cos it's your funeral every day

It's the Funeral Of Your Mind  
It's the Funeral Of Your Mind  
Lost and self-deceived you'll never find  
It's the Funeral Of Your Mind

All your friends (haha) say you're insane  
But you don't need them anyway  
It's the Funeral Of Your Mind  
As your future rots away  
It's the Funeral Of Your Mind

You never fucking listened anyway  
Now you realise it's too late  
We had all the answers you can't find  
It's the Funeral Of Your Mind  
....Funeral Of Your Mind  
The Funeral Of Your Mind  
The Funeral Of Your Mind  
The Funeral Of Your Mind
