

# I, The Witchfinder

Electric Wizard

I am Albino, evil witchfinder  
I'll cleanse her sins, for witchcraft I condemn her  
My implements of torture are bloody red  
Your confession to sorcery will leave you dead  
Will leave you dead  
Will leave you dead

I am Albino, evil witchfinder  
I know she's guilty before I find her  
I'll pierce her flesh to find his mark  
Torture, my pleasure, true servant of the dark  
True servant of the dark

I, the witchfinder

I, I, I, I...
