

Cops Copulating

Electrocute

Feeling bored, everything sucks
Let's go for a ride in my
pick-up truck
we'll get a six pack and a bag of
whack
when school's out, who's gonna pull out?
I'm
sixteen and this is my scene
A bubble of trouble let's get
the hell out
I wanna be bad,
let's get a boy scout
And go to Kennedy's house and go balls out, balls
out
We're breakin' the law, we're breakin' the
law Bust me.
Bustin' it once and bustin' it
twice
Is it the cops or is it the vice?
Kick in the door
pull out a gun
Pricks with sticks tryin' to ruin our
fun
Bust me
We're going downtown,
