

## Goodbye Johnny

Electrocute

It's all over now, baby blue eyes  
All the wasted tears forgotten  
And I know that you lied  
But all your lies were sweet like a child's.  
And you know there was nothing I wouldn't have done for  
you  
Goodbye Johnny, I won't forget you  
But I do regret all your sadness  
But this world was too much for you  
For me too, there was nothing I could do.  
It's all over now, baby blue eyes  
All the wasted years forgotten  
And I know that you lied, but  
All your lies were sweet like a child's.  
Goodbye Johnny, I won't forget you  
But I do regret all the madness  
But this world was too much for you  
For me too, there was nothing I could do.  
Time you start to grab your pride  
before you know you loose your dignity  
You were always on the outside looking far beyond your  
destiny  
Goodbye Johnny.
