Shag Ball

Electrocute

Shag, shag, shag ball, Shag, shag, shag ball Shake it up, shake down Shake it up, shake down Shake down with me, shake down Take a jack on my mind, Let my finger ride your thumb See the back of my eyes Let my finger ride your thumb I'm a bit on Turn it up, turn on Turn me on Wet and irritate my ears Take me by the face Nab the rust to get down Take me in your head I'm a bit on Shag ball
