

Uh-Oh

Electrocute

Falling down like a domino A criminal on the run from the law
Hotel 10 past 11 am

Took a ride to New Mexico With a rattlesnake where I could take
it slow No don't want to see you no more

Oh uh-oh Oh uh-oh Uh-oh uh-oh Oh uh-oh

Take your pick of the bunch Catch a break out to lunch Go ahead
make my day Give me some fade away Hang it up on the line Broke
heart don't cry When we love when we die When we go Uh-oh!

Broke down on the highway So much for a holiday Hey, I think I'
m going insane

Oh uh-oh Oh uh-oh Uh-oh uh-oh Oh uh-oh

Take your pick of the bunch Catch a break out to lunch Go ahead
make my day Give me some fade away Hang it up on the line Broke
heart don't cry When we love when we die When we go

Oh uh-oh Oh uh-oh Uh-oh uh-oh Oh uh-oh

Close your eyes Love is sick Shed a tear When we dance when we
die Uh-Oh

Close your eyes open wide Take a breath trick your mind Love is
sick love is kind Give you up fall behind Shed a tear waste of
time It's a dream, it's a lie When we dance when we die When we
go

Oh uh-oh Oh uh-oh Uh-oh uh-oh Oh uh-oh
