

My Apology

Elefant

I try to tell you that I'm gone
I'm gone I'm gone I can't go on
You look upset
Your eyes are red

The flowers on the floor are dead
You try to tell me that I'm wrong
You're wrong you're wrong we can't go on
I'm sorry for the lonely nights
I'm sorry but I cannot hide

Please listen to me
You're killing me with your love
You're killing me with your love
You're killing me with your love
Just set me free from your touch

I'm sorry that you're fearing this
I'm sorry but I do not miss
The way I felt that awful night
The way we had our final fight

I'm sorry that I'm on the run
I can't go on
I'm gone I'm gone
It's all a mess

It's not your fault
I tried to warn you from the start

Just look into my eyes
You're killing me with your love
You're killing me with your love
You're killing me with your love
Just set me free from your touch

It's my apology
It's my apology
To you

I'm trying to leave you
I'm trying to leave you
I'm trying to leave you

I'm trying
You're killing me with your love
You're killing me with your love
You're killing me with your love
Just set me free from your touch

I'm trying to leave you
I'm trying to leave you
I'm trying to leave you
I'm trying to leave you
I'm trying to leave you
