

# Pilgrims Parade

## Elegy

Your quest has begun, to find the answers  
A modern day tale  
A search for peace, friendship and laughter  
Everlasting dreams

Will you walk beside us  
If we stretch out our hands  
We can solve the mysteries  
In the land of the brave

Walk...  
Walk in the pilgrims parade  
The challenge of life you can face  
Walk in the pilgrims parade  
Here in the land of the brave

Year after year, endless searching  
An 'still you don't know  
How to solve, all your anguish  
Discover your dreams
