

# Christmas

Elemeno P

It was a friday night, and i was feeling right  
and then by wednesday-day, it felt like i was on my way.  
any way i chose. i wont be coming home for christmas

Looking back you made me feel vulnerable  
though my faithfulness was some what debatable..  
Looking back i did quite alright, set up the rest of my life

completely out of site  
by chance, i lost my flash light!  
welcome was over stayed..  
what was it that you used to say?  
any way i chose. oh oh oh oh.  
I wont be coming home for christmas!

Looking back you made me feel vulnerable  
though my faithfulness was some what debatable..  
Looking back i did quite alright, set up the rest of my life.  
oh whoa oh whoa oh whoa

Yababababa yabababa,  
Yababababa yabababa,  
Yababababa yabababa  
Yababababa yabababa  
Yababababa yabababa.

Looking back you made me feel vulnerable  
though my faithfulness was some what debatable..  
Looking back i did quite alright, set up the rest of my life.  
oh whoa oh whoa oh whoa

Looking back you made me feel vulnerable,  
though my faithfulness was some what debatable..  
Looking back i did quite alright, set up the rest of my life.  
oh whoa oh whoa oh whoa
