Stay- Go

There was a time I do recall When pretty girls hung out in Shopping malls The Air Jordan's I wished I could Afford Looking back these days were Magical

Kick like a first time cigarette I like this girl I know she likes me back Yeah I know baby it's true we do Connect I got the keys love, hee haw and we got it On and on and on and on

Yesterday I felt so vacant Won't somebody separate us now?

So go, go, go if you wanna Stay, stay, stay if you're gonna Go, go, go if you wanna Stay, stay, stay if you're gonna

Soundtrack to teenage broken Hearts Jane's addiction playing in the car A couple fighting, and crying out In the yard Our of beer, we're out of here but The party goes On and on and on and on

Yesterday I felt so faded Won't somebody separate us now?

So go, go, go if you wanna Stay, stay, stay if you're gonna Go, go, go if you wanna Stay, stay, stay if you're gonna

(Stay with me I need you, don't You know that times like these I Need you)
