

# Bloodshot

## Element Eighty

Thinking about you for the last hundred days  
been dreaming about you so don't push me away

And I've been searching for you (I'm searching for you)  
So please tell me your love is true  
Bloodshot Bloodshot

Bloodshot Bloodshot  
Don't you fuck with me  
Bloodshot Bloodshot  
Don't you fuck with her  
Bloodshot Bloodshot  
Don't you fuck with me  
Bloodshot Bloodshot (2x)

If we were alone in this God-forsaken town  
there'd be no one, no one to bring us down

And I've been searching for you (I'm searching for you)  
Please tell me your love is true (tell me this is true)  
And I've been missing your touch (I'm missing your touch)  
And my eyes are bloodshot and numb  
Bloodshot Bloodshot

Bloodshot Bloodshot  
Don't you fuck with me  
Bloodshot Bloodshot  
Don't you fuck with her  
Bloodshot Bloodshot  
Don't you fuck with me  
Bloodshot Bloodshot (2x)
