## Element Eighty

Painmaker

How fast, fast, fast do you like it  
How much more can you take  
How hard, hard, hard do you like it  
How much more till you break

Body Ache  
Forsake  
Penetrate  
This fucking pain

Painmaker  
Painmaker

Well everybody's drawn to me  
I'm your painmaker  
Everybody's drawn to me  
I'm your painmaker
