

Disco romancing

Elena Gheorghe

I'll give you whatcha want just holla
Every boy goes to Roma
But no need to botha
But-but no need to botha
Cause i got what they got, but hotta
Come on boy, step in closa
Hey i think i like ya
Hey-hey i think i like ya
Paaaaaarty, Hey, hey I think I like ya,
Paaaaaarty, Hey, hey I think I like ya

Lookin' hot, all done up,
Party till the break of dawn
Move in groups, leave in twos
We got swagger.
Lookin' hot, all done up,
Dancing till the sun comes up,
Disco romancing,
Disco romancing

Just relax, let me say hola
Take a chance, get out of orda
Tonight is all we've got
Tonight is all we've got
I'll give you whatcha need just say-so
Every boy says "ti amo"
Cause I know where to , where to go , go
Paaaaaarty, Hey, hey I think I like ya,
Paaaaaarty, Hey, hey I think I like ya

Lookin' hot, all done up,
Party till the break of dawn
Move in groups, leave in twos
We got swagger.
Lookin' hot, all done up,
Dancing till the sun comes up,
Disco romancing,
Disco romancing.
