

# Hypnotic

Elena Gheorghe

I can hear in when you call my name  
And you whisper milion miles away  
Like a shooting rocket in the sky  
If we touch, I feel that I can fly

Listen to  
How loud my heart is beating just for you.  
And I don't what I'm supposed to do.  
I can't go livin my life without you.

Feel so good,  
happy day  
We could pack our bags and keep in going go for away.  
Just one heart,  
just one soul  
And I'll never ever ever, never let you go.

I can hear it when you call my name.  
And you whisper milion miles away  
Like a shooting rocket in the sky  
If we touch, I feel that I can fly.

Your love  
Your love  
Your love is so hypnotic.  
You're in control  
I need you now  
I need you like an addict  
Your love is so hypnotic, hypnotic.

Secretly  
I really wanted you so desperately.  
I look at you now and I can't believe  
you make it difficult for me to breathe.

Feel so good,  
happy day  
We could pack our bags and keep in going go for away.  
Just one heart,  
just one soul

Your love  
Your love  
Your love is so hypnotic.  
You're in control  
I'm just to automatic.  
I need you now  
I need you like an addict  
Your love is so hypnotic, hypnotic.

Your love  
Your love  
Your love is so hypnotic.  
You're in control  
I'm just to automatic.  
I need you now  
I need you like an addict

Your love is so hypnotic, hypnotic.

I can hear it when you call my name.  
And you whisper milion miles away  
Like a shooting rocket in the sky  
If we touch, I feel that I can fly.

Your love  
Your love  
Your love is so hypnotic.  
You're in control  
I'm just to automatic.  
I need you now  
I need you like an addict  
Your love is so hypnotic, hypnotic.
