

# The Balkan Girls

Elena Gheorghe

The Balkan girls, they like to party  
Like nobody, like nobody

It's time for me to unwind  
I'm gonna start my weekend with gin tonic and lime  
My girls take me for a ride  
Ready to party and looking so fine

I wonder if beyond this  
There could be something better  
'Cause I feel so good tonight  
Don't wanna end this night

The Balkan girls, they like to party  
Like nobody, like nobody  
(the groovy light will shine all night)  
The Balkan girls, they like to party  
Like nobody, like nobody  
(the groovy light will shine all night)

My hips are ready to glow  
This record is so hot and I have so much to show  
I'll find a boy for a kiss  
Who knows, maybe he'll be my prince

I wonder if beyond this  
There could be something better  
'Cause I feel so good tonight  
Don't wanna end this night

The Balkan girls, they like to party  
Like nobody, like nobody  
(the groovy light will shine all night)  
The Balkan girls, they like to party  
Like nobody, like nobody  
(the groovy light will shine all night)

(You've gotta live your life...)  
If you're a little by doubt  
What love is about  
And if you're a lonely baby  
Just open your mind, you're one of a kind  
You've got to live your life...

The Balkan girls, they like to party  
Like nobody, like nobody  
(the groovy light will shine all night)  
The Balkan girls, they like to party  
Like nobody, like nobody  
(the groovy light will shine all night)

The Balkan girls, they like to party  
Like nobody, like nobody  
(the groovy light will shine all night)  
The Balkan girls, they like to party  
Like nobody, like nobody  
(the groovy light will shine all night)
