

Dreamboat

Eleni Mandell

Dreamboat
Out to sea
Landlovers, he's leaving me
Someday when the sky lies awake
We'll be together in the city again

Dreamboat
Sailing away
Landlovers, hopeless and gray
Someday when the tide is low
You and me, baby
We'll rock back and forth on the waves

Hang on tight
There's trouble below
The blackest blue
We're going to go
To the bottom
Of water so sorry I cried
Looking back up
Are we ocean or sky

Dreamboat
Motoring slow
Landlovers, wave from the shore
Someday when the mountains escape
Swimming for living
We'll drown in our fate

Hang on tight
There's trouble below
The blackest blue
We're going to go
To the bottom
Of water so sorry I cried
Looking back up
Are we ocean or sky
