

I'm Lucky

Eleni Mandell

I cross my right leg
Over my left, because I'm lucky
I cross my left leg
Over my right, because I'm lucky
I say goodnight, just to myself
I'm lucky
And say thank you
When I wake up again
I'm lucky
I don't know who I am
But I know I can begin again

I don't know why
As I stare out the window
And no one, will declare me the winner
And with whom, will I share my tomorrow
And the sun or moon will slip away, sorrow

I take myself out,
For a night on the town
I'm lucky
And I stay home
When I'm feeling low down
I'm lucky
And every year I celebrate
Blow out the candles
On my birthday cake
Another wish, or just a big mistake
I'm lucky

No other fortune teller
Told my fortune any better
It's all so clear to me
I'm free, oho,
I'm lucky x 2

I don't know why
As I stare out the window
And no one, will declare me the winner
And with whom, will I share my tomorrow
And the sun or moon will slip away,
Slip away, slip away, slowly
I'm lucky, I'm lucky
