

## Iowa City

Eleni Mandell

Girls, the boys don't cheat in Iowa City  
Iowa City nothing to do  
Now they're crisp and they're clean  
Iowa City  
Iowa Iowa  
Skies are blue

Not so, Chicago  
Never, New York  
When you're off and you're looking for something  
What can you do?  
Where can you go?

Girls, the boys aren't cheap in Iowa City  
Iowa City nowhere to go  
Now they're slippery and sweet  
In Iowa City  
Iowa Iowa  
Burning slow

When you're off and you're looking for someone  
What can you do?  
Where can you go?  
Iowa Iowa  
Iowa City  
Simply and truly, my dear  
We may lose our hearts  
We're so clever and witty  
And find true love right here  
Iowa City
