

# Feel The Steam

Elephant Man

Hmm  
Elephant Man  
C. Breeze  
Chris Brown for the ladies  
(Give it to her)  
Baby look at it startin to sweat  
Grind it on me  
I told her  
I told her  
I told her  
I told her  
Burn it up  
I told her  
I told her  
I told her  
I told her  
Burn it up  
Before all the club is on fire  
No top Bueno Bueno  
Watching her perspire

Now why don't you make my temperature rise  
And I could not do because it's not in your size  
I told her she may go loop because she criticized

...

Show me around town anytime you see me roll  
Call me in the Benz anytime at wedding toll

...

...

(I can't understand him at all!)

Can you feel the steam?  
Hot make you wanna scream  
Shawty wanna leave with me  
I know just what you need  
Girl, let me make you body sweat  
Come on come on make your body wet  
I'm a make your body drift sweat  
Girl I wanna see your chest wet

Community mean all that foolishness  
If she want that booty booty all she cool with this  
Don't make me leave you head, jump and twist  
Come on I don't wanna hear you jump on this  
If you don't hear me make you fall in the trap door  
Hold on me forever and pop on the floor  
Ain't no testimonial or size on the floor  
Tell me when your ready, when your ready I'll go

Can you feel the steam?  
Hot make you wanna scream  
Shawty wanna leave with me  
I know just what you need  
Girl, let me make you body sweat  
Come on come on make your body wet  
I'm a make your body drift sweat  
Girl I wanna see your chest sweat

We can get it on and  
Til the early mornin  
Feel your body callin  
We can get it on and  
Til the early mornin  
Hear your body callin?  
Girl

Can you feel the steam?  
Hot make you wanna scream  
Shawty wanna leave with me  
I know just what you need  
Girl, let me make your body sweat  
Come on come on make your body wet  
I'm a make your body drift sweat  
Girl I wanna see your chest sweat

All in the club all tied to my parts  
I know she can reach me if I drift too far  
If I know what she wants, I can reach for the stars

...  
I can feel your temperature, id love to turn on me know (make your body shake)  
... (make your body shake)  
Booty booty booty like an american booty, shake her  
Before I go turn on her like a belly dancer

Can you feel the steam?  
Hot make you wanna scream  
Shawty wanna leave with me  
I know just what you need  
Girl, let me make you body sweat  
Come on come on make your body wet  
I'm a make your body drift sweat  
Girl I wanna see your chest sweat

Can you feel the steam?  
(ooh)  
Hot make you wanna scream  
(ooh)  
Shawty wanna leave with me

I know just what you need  
Girl, so let me make you body wet  
C. Breezy Ele gonna make your body sweat  
We gon make your body drift sweat  
Girl I wanna see your chest sweat
