Because dem a fassy and wi know, wi know, wi know
But wi no care who vex when wi chat wi mind

When dem si badman, tell dem seh dem better stay far
As far as di moon and di star

All who no like when wi talk suck yo mother
Wait, yo feel seh you bad? Go suck yo mother
True yo face bend up like mi dadda you a brag yah
Listen da song yah, bwoy suck yo mother

Oil di ting dem everyday that mean dem naw go rust
Tell dem a no weh day mi a bad, a long before mi buss
Wa kind a thing dem come a plan up
