

Awaken

Elevation Worship

[Chorus:]

Awaken my heart, awaken my soul
To tell of all you've done
Awaken my heart, awaken my soul
To sing of your great love

[Verse:]

I lift my cry to you oh God
Only you can save
I will not fear the darkness here
Where the lions wait

[Pre-chorus:]

You send from heaven and you rescue me
I will take refuge in the shadow of your wing

[Chorus]

[Verse 2:]

I will run hard into your arms
Lord you carry me
Despite my pain your plan remains
You will deliver me

[Pre-chorus]

[Chorus]

[Outro:]

God you lifted me out
God you lifted me out
And I'll tell all the world
