

# Awaken

## Elevation Worship

[Chorus:]

Awaken my heart, awaken my soul  
To tell of all you've done  
Awaken my heart, awaken my soul  
To sing of your great love

[Verse:]

I lift my cry to you oh God  
Only you can save  
I will not fear the darkness here  
Where the lions wait

[Pre-chorus:]

You send from heaven and you rescue me  
I will take refuge in the shadow of your wing

[Chorus]

[Verse 2:]

I will run hard into your arms  
Lord you carry me  
Despite my pain your plan remains  
You will deliver me

[Pre-chorus]

[Chorus]

[Outro:]

God you lifted me out  
God you lifted me out  
And I'll tell all the world
