

Everlasting Father

Elevation Worship

Turn my heart to You, O God
Remind me of Your promise
You restore what I have lost
Draw me near

Never-failing comforter
My present help in trouble
Though the earth gives way beneath
You are here

Everlasting Father
Enduring love forever
Your kindness makes me stronger
You run to me
You run to me

Even when I wander far
Your presence never leaves me
Your voice of mercy calls me home
Draws me close

Everlasting Father
Enduring love forever
Your kindness makes me stronger
You run to me
You run to me

I am loved, I am loved
By my Father, I'm forever Yours

Everlasting Father
Enduring love forever
Your kindness makes me stronger
You run to me
You run to me
You run to me

You run to us
You run to us
God, You run to us
