

Exalted One

Elevation Worship

[Verse 1:]

In the midst of the darkness
You're the light that guides me through
Our eyes are on You
You are near to the broken
The weak find their strength in You
Our eyes are on You

[Verse 2:]

When I'm lost in the madness
You're the peace that calms my soul
Our eyes are on You
You bring hope to the hopeless
You're the love that won't let go
Our eyes are on You

[Chorus:]

We lift our eyes to You
Where our help comes from
Our hope is found in You
Jesus, Lord of all
We lift our eyes to You

Exalted One, Exalted One

[Bridge:]

Your promise stands, Your love endures
Nothing can shake us, Standing on Your word
We're not afraid, We're full of hope
You'll never leave, You'll never let us go
