

Don't Want To Fall

eleventyseven

Head first into fire,
Thinking I could
Be a hero.
Flames climbed up higher,
Burning nothing but my ego.
And I kissed your lips
Like some kind of strange (down payment?)
Thinking if this ship went into rocks that kiss might
save it.

I guess that's why they all describe this love that's
like a fall,
You broke my heart in so many parts, I'll never find
them all.

I don't wanna fall in love again,
It hurts too much,
I don't wanna fall in love,
It's way too hard to crawl out of, yeah,
I don't wanna fall in love again.
To fall in love again.

Laughing at myself,
Looking back on all the wreckage.
I wish I could travel back in time and leave myself a
message.
But somehow I convince my heart to dive back in again.
We crash our souls into each other, hoping that they'll
fit.

I don't wanna fall in love again,
It hurts too much,
I don't wanna fall in love,
It's way too hard to crawl out of, yeah,
I don't wanna fall in love again.
To fall in love again.

Don't wanna fall
Don't wanna fall in love again.
Don't wanna fall
Don't wanna fall in love again, no.
Don't wanna fall
Don't wanna fall in love again.
Don't wanna fall
Don't wanna fall in love.

I don't wanna fall in love again,
It hurts too much,
I don't wanna fall in love,
It's way too hard to crawl out of, yeah,
I don't wanna fall in love again.
To fall in love again.
