

# Happy

Elf

Very very happy that you're so happy  
Very very happy for you  
Looking round every corner  
I'm happy to see that you're happy

Special situations, pleasant demonstrations  
'Til the cat rolled out of the bag  
You let me get my hopes too high  
But now you're happy

Crazy kind of feeling, hanging from the ceiling  
With a bag tied over my head  
You won't let the sun shine in  
But now you're very very happy that you're so happy  
Very very happy for you  
Looking round every corner  
Look, I'm glad you're happy

Too much aggravation, time is kind of wasting  
Got to get while I'm still alive  
You're never gonna stop me now  
But Lord you're very very happy, special situations  
Very very happy, pleasant demonstration

Very very happy, special situation  
Very very happy, pleasant demonstration
