Lord Inquisitor

Hello lord inquisitor!!!
Who will you accuse today?
Who will you condemn to death with your words?
You see the mistakes of everyone everywhere
You look everywhere for a reason to tear down the lives of othe
rs
Don't you know? Have you not heard of the love of the brothers?
Of the love for people.
Who are you that you can be so cruel?
You really don't know the true God, because your god is a destr
oyer and a murderer
Repent before it's too late!
Because your sin is killing you!!!
