

The Lost Army

Elgibbor

Loud marches the army of cheated souls
Deaf to the sound of the words of freedom.
Their lord is the Ruler of this world
A black soul Emperor of the cheated.
He speaks freedom and promises golden hills
He is the Ruler of hypocrites
A wolf in sheep's clothing
He wants to rule you
He wants to take away your freedom
So you will serve him unknowingly
He wants to give you a number, the mark of the beast from hell
He creates his own religion so that you will never be free
Don't be deaf in the last days
Don't let the angel of cheated power and the army of darkness
Come into your life
Only the Creator gives freedom, and that freedom is in the blood
Poured out for your freedom, to pay for your freedom
