

Payphone

Eli Lieb

I know it's hard to remember
The people we used to be
It's even harder to picture
That you're not here next to me

You say it's too late to make it
But is it too late to try
And in our time that you wasted
All of our bridges burned down

I've wasted my nights
You turned out the lights
Now I'm paralyzed
Still stuck in that time when
We called it love
But even the sun sets in paradise

I'm at a payphone trying to call home
All of my change I spent on you
Where have the times gone
Baby, it's all wrong
Where are the plans we made for two

If happy ever after does exist
I would still be holding you like this
All those fairy tales are full of shit
One more fucking love song I'll be sick

You turned your back on tomorrow
Cause you forgot yesterday
I gave you my love to borrow
But you just gave it away

You can't expect me to be fine
I don't expect you to care
I know I've said it before
But all of our bridges burned down

I've wasted my nights
You turned out the lights
Now I'm paralyzed
Still stuck in that time when
We called it love
But even the sun sets in paradise

I'm at a payphone trying to call home
All of my change I spent on you
Where have the times gone
Baby, it's all wrong
Where are the plans we made for two

If happy ever after does exist
I would still be holding you like this
All those fairy tales are full of shit
One more fucking love song I'll be sick
