

I'm In Love

Eli Young Band

I'm in love as in I'm crazy
Yeah baby shake me through and through....
I'm in love as in I'm fallin'
Hear Heaven callin' me and you....

Girl you don't know what you did to me
No one could ever tie me down I like being free
But all that's changed.....
Babe you had me going from the start
You opened up my eyes, my mind, and heart.....

Cause....
I'm in love as in I'm crazy
Yeah baby shake me through and through.....
I'm in Love as in I'm fallin'
Hear Heaven callin' me and you.....

I've never felt the way that I do right now
You completely changed me baby and I don't know how
But I like it.....
Girl you're running circles round my head
If you were to walk away surely I'd be dead.....

Cause.....
I'm in love as in I'm crazy
Yeah baby shake me through and through....
I'm in love as in I'm fallin'
Hear Heaven callin' me and you....

You got me goin' up I'm goin' down
People talk all over town
To my knees and hit the ground
I was lost but now I'm found yeah.....

I'm in love as in I'm crazy
Yeah baby shake me through and through....
I'm in love as in I'm fallin'
Hear Heaven callin' me and you....

I'm in love.....
I'm in love.....
