

# Come Away

Elijah Blake

Problems

Ain't even gotta worry bout em  
Get your head right  
Or you gone be up in here every night  
Lord

Strings

No strings  
Care free  
Lose yourself till Monday  
Just don't tell nobody  
Oh

We're dancing in the dark baby  
Come put your pretty lips on me  
Don't wanna have to wonder what if in the morning

Can I have your heart for the weekend  
Give it back to you when we finish  
We can both kick back at mi casa  
Won't you come my way

Everybody knows  
Everybody knows that  
They don't wanna go  
They don't wanna go back  
Once you've had the best  
You know when it's real  
Everybody wants  
Everybody wants to  
Be the one in charge  
I'll be the soldier for you  
Even when it's wrong i like how it feels

We're dancing in the dark baby  
Come put your pretty lips on me  
Don't wanna have to wonder what if in the morning

Can I have your heart for the weekend  
Give it back to you when we finish  
We can both kick back at mi casa  
Won't you come my way

Promise me when it's all said and done  
You won't catch no feelings  
Oh no

Can you love me for the weekend?  
Forget me in the morning? the morning

We're dancing in the dark baby  
Come put your pretty lips on me  
Don't wanna have to wonder what if in the morning.

Can I have your heart for the weekend  
Give it back to you when we finish  
We can both kick back at mi casa

Won't you come my way

I promise

I'll give it back to you

I'll give it back to you

After the weekend
