

# Wicked

Elijah Blake

This feels like we've already met before  
You're mind is ready for me to explore  
Those other guys, they left a bad report  
Just say what you need, I'll be that and more

Don't act so heaven sent  
Cause I know you're love is wicked  
You say you're innocent so I'm leaving because

Love will make you  
Dum-dum-da-da-dee-dee-dum-dum-na-ay  
Dum-dum-da-da-dee-dee-dum, cause you're love is wicked  
Dum-dum-da-da-dum-dum-dum-na-ay  
Dum-dum-da-da-dee-dum-dum, you're love is wicked  
Wicked

Wicked because you're irresistible  
This urge I feel is even more than you know  
How could somebody ever break your heart  
Girl I'll protect you even when you're far

Don't act so heaven sent  
Cause I know you're love is wicked  
You say you're innocent so I'm leaving because

Love will make you  
Dum-dum-da-da-dee-dee-dum-dum-na-ay  
Dum-dum-da-da-dee-dee-dum, cause you're love is wicked  
Dum-dum-da-da-dum-dum-dum-na-ay  
Dum-dum-da-da-dee-dum-dum, you're love is wicked  
Wicked

If I had, you're love  
I would tell the world, tell the world, about your paradise  
I would tell the world, I would tell the world, about your love  
Yes I would tell the world, I would tell the world, about your love  
But, if you want this to be a secret  
I didn't know if I can keep it  
Nobody wants to be your weekend, lover  
I wanna shout it out  
Bad bitch on my radar (shout it out)  
Bad bitch on my radar (shout it out)  
Bad bitch on your  
You the only bad bitch on my radar (shout it out)  
Bad bitch on my radar (shout it out)  
Bad bitch on your
