A Prayer

Elisa

It's crazy how slow it goes, when you're waiting for something more
to warm you up when you feel cold, to calm you down and bring peace to your soul
it's funny how fast it goes, love comes right when you don't wait anymore
its power takes over all, and you surrender you let go…

oh…this frailty makes us so strong
oh.. this fire will melt all the ice
and it's all I want, all I need
a prayer of freedom, a prayer of love
a prayer of freedom, a prayer of love
a prayer of freedom, a prayer of love

precious gifts, given in silence, look like the pieces of an unsolved puzzle
all to learn, all to know, so unexplained but so beautiful

and yeah, this frailty makes us so strong
and yeah, this fire will melt all the ice
and it's all I want, all I need
a prayer of freedom, a prayer of love
a prayer of freedom, a prayer of love
a prayer of freedom, a prayer of love

so no matter how long I'll wait, pain is nothing, but a scale for my will
there comes a time when truth survives, all kinds of fear, all kinds of lies
in a prayer of freedom, a prayer of love
a prayer for freedom, a prayer for love
a prayer of freedom, a prayer of love
a prayer of freedom, a prayer of love
a prayer of freedom, a prayer of love
a prayer of freedom, a prayer of love
a prayer of freedom, a prayer of love
a prayer of freedom, a prayer of love
a prayer of freedom, a prayer of love
a prayer for freedom, a prayer of love
a prayer of freedom, a prayer of love
a prayer of freedom, a prayer of love
a prayer for freedom, a prayer for love
a prayer for freedom, a prayer for love
a prayer for freedom, a prayer for love
a prayer for love
