

# The Big Dipper

Elisa

When there's no light  
I can follow  
I look at the sky  
I look at The Big Dipper

Have you got a place?  
A tiny little one would do...  
For when I can't walk  
and I cannot make it on my own...

Cause I have so much fire here  
I have much to burn...  
But could I come closer if I were cold?

Don't say no to you daughter,  
a flower,  
someone swimming against the current  
To a... to a... to a... to a... Hey...

When everything gets hollow  
I look at the sky,  
I look at The Big Dipper

Is there any space?  
Could you make some room for me?  
For when I feel small,  
and I don't know anything at all

Well I have so much fire here  
I have much to burn...  
But could I come closer if I were cold?

Don't say no..  
To your daughter  
To a... a fighter  
To a... a stranger  
To a... a believer  
To a... a flower  
To a... a loser  
To a... a mother  
To a... a prayer

Don't say no..  
To a... a daughter  
To a... a fighter  
To a... a stranger  
To a... a believer  
To a... a flower  
To a... a loser  
To a... a mother  
To a... a prayer
