

## This Knot

Elisa

I will search and I'll search for a way  
To make it all so beautiful  
I'm no longer afraid oh I'm no longer afraid oh...  
I will search and I'll search night and day  
To make it all so beautiful  
I'm no longer afraid oh I'm no longer afraid...

To untie this knot that makes me weak  
It's gonna take some time... it's hard to speak.  
My head's in the clouds, I have had so many doubts  
It's gonna be a war to find what I'm looking for...

But I will search and I'll search for a way  
To make it all so beautiful  
I'm no longer afraid oh I'm no longer afraid oh...  
I will search and I'll search night and day  
To make it all so beautiful  
I'm no longer afraid oh I'm no longer afraid oh...

To untie this knot that makes me numb  
It's gonna take some guts... I'm so scared I'm playing dumb...  
And my head's in the clouds, I'll try to help myself out  
But you don't know where to start from  
When you don't know what you want...

But I will search and I'll search for a way  
To make it all so beautiful  
I'm no longer afraid oh I'm no longer afraid oh...  
I will search and I'll search night and day  
To make it all so beautiful  
I'm no longer afraid oh I'm no longer afraid oh...

Think I have already paid  
So you could give it up  
And I don't like to judge  
But if you hit me I'll get up  
Let's give it a name  
I think i had enough  
Let's call it a day...  
Let's call it a day...

I will search and I'll search for a way  
To make it all so beautiful  
I'm no longer afraid oh I'm no longer afraid oh...  
I will search and I'll search night and day  
To make it all so beautiful  
I'm no longer afraid oh I'm no longer afraid of...
