

# Crushed

Elise Estrada

I told myself, today was gonna be the day  
No more excuses cause I knew exactly what to say  
Was gonna make my play, but just like yesterday  
My mind erased, and I let the moment slip away

Another night got me sitting here all on my own  
Picking up the phone, but I can't get past the dial tone  
Racking my brain, going insane  
Again and again, I can't keep going this way

Crushed  
By the sweetest lips I've never kissed  
And your fingertips  
And the warmest touch that I've always missed  
Crushed  
By the softest hands I've never held  
Probably never tell  
Your the strongest love that I've ever felt  
Crushed  
That I haven't ever let you know  
How it always goes  
'Coz I lose my nerve whenever you get close  
And so I'm left  
Short of breath  
With that heavy feeling in my chest  
Baby I'm so crushed

So I tell myself that tomorrow's gonna be the day  
And I keep on telling myself that I'm gonna find a way  
And I won't be afraid just like yesterday  
Won't walk away  
Never gonna let another chance slip away

'Coz I gotta know, whichever way it's gonna go  
Rest my heart and soul cause there can never be no more  
Racking my brain, going insane  
Again and again  
I won't keep going this way

Crushing I'm so into you  
Don't know what I'm gonna do  
Gotta find a way to you

And so I'm left  
Short of breath  
With that heavy feeling in my chest  
Baby I'm so crushed

And so I'm left  
Short of breath  
With that heavy feeling in my chest  
Baby I'm so crushed
