I don't mean to be the kitty in the middle But he's playing you second fiddle Jack's been nimble Jack's been quick The way he treats you makes me sick Don't you know that you'll never change him That dog, you can never cage him Everybody else can see it But you just won't believe it

Ix-nay on the oyfriend-bay Can he treat you that a way Not hey diddle diddle dum dum Not hey diddle diddle dum dum ose-lay the oser-lay Those boots are made for alking-way Not hey diddle diddle dum dum
