

## Team Player

Eliza Doolittle

From California to London town,  
I will hold it down,  
I promise so baby please don't go  
Cause if nobody hears that tree fall down,  
Does it make a sound?  
And am I even here if I'm alone

And there's nothing really I can do,  
If you're gonna say it's over now,  
I'm not used to taking it from you,  
And bringing it back to me somehow

Cause I'm a lover not a fighter,  
What's the point in life without it,  
This world, we could run it, yeah we could run it

From California to London town,  
I will hold it down,  
I promise so baby please don't go  
Cause if nobody hears that tree fall down,  
Does it make a sound?  
And am I even here if I'm alone

I know that you can tell that I'm afraid,  
I'm not used to being on my own,  
And I've got so much more to say,  
But I don't wanna talk to myself though

I'm not a leaver I'm a stayer,  
Yeah you know that I'm team player,  
This world, we could take it, yeah we could take it

From California to London town,  
I will hold it down,  
I promise so baby please don't go  
Cause if nobody hears that tree fall down,  
Does it make a sound?  
And am I even here if I'm alone

Lalalalalalalalalala, lalalalalalalalalalalalala,  
I'll lalala a hundred million songs,  
But it's sweeter when you sing along  
And we could run it

From California to London town,  
I will hold it down,  
I promise so baby please don't go  
Cause if nobody hears that tree fall down,  
Does it make a sound?  
And am I even here if I'm alone
