

Xmas In Bed

Eliza Doolittle

Let's spend Christmas in bed this year
Let the red wine go to our heads this year
It's cold out there but don't be scared
'Cause I'll be your baby there
Yeah all I wanna do is hibernate with you
'Cause no one else's love compares

Lets spend this year under the covers
What's Christmas for if it's not for each other
Lets spend this year under the covers
What's Christmas for Christmas for

The best gift that I could give is my love
Let's spend Christmas alone this year
Just you plus one plus some mistletoe this year
'Cause I don't need a Christmas tree if I got you kissin me
Yeah, all I wanna do is hibernate with you
There's nowhere else I'd rather be

Without my baby, baby
What's Christmas for, Christmas for
Without my baby, baby

The best gift that I could give is my love
