

If I Go

Ella Eyre

1. I could play anything for you
I could say what you want me to I could lie,
I could lie
'Cause you're wanting a little more and I'm stuck in the middle of
, boy
But I try, but I try

X: I need time and I need space
I need to live without your face

R: But if I go will you love me?
Will you love me until I can
Do you know will you want me?
Will you want me like that?
And if I leave, will it end?
Will you need me again?
If I go, will you love me?
Will you love me when I come back?

2. I could be what you want me to
Can you hold out and let me do what I want?
What I want?
Tell me how long could you wait till you move on
And tell me that it's too late! It's too late!

R: But if I go...

Ooh, boy
Will you love love
Noooo ooh oh oh

R: But if I go...
