

All My Life

Ella Fitzgerald

All my life, I've been waiting for you,
My wonderful one, I've begun living,
All my life.

All my love has been waiting for you,
My life has begun now that I'm giving
All my love.

You seem so lovely, so far above me,
I'm almost afraid to look,
But I adore you, I place before you,
A heart that's an open book.
All my life, hold me close to your heart,
And all else above, hold my love, Darling,
All my life.
