

# Do Nothin` Till You Hear From Me

Ella Fitzgerald

1. Do nothin' till you hear from me.  
Pay no attention to what's said,  
Why people tear the seams of anyone's dream  
Is over my head.
2. Do nothin' till you hear from me.  
At least consider our romance;  
If you should take the word of others you've heard  
I haven't a chance.
- R: True I've been seen with someone new,  
But does that mean that I'm untrue?  
When we're apart the words in my hear  
Bm7-5                B7                E7 B7 E7  
Reveal how I feel about you.
3. Some kiss may cloud my memory,  
And other arms may hold a thrill.  
But please do nothin' till you hear it from me  
And you never will.
